Page 53 DELETE Lines 10 – 16 and INSERT:

“We find the Company’s proposal to consolidate the Mohave and Santa Cruz rates is reasonable and should be approved. Mr. Radigan’s arguments on this subject are unconvincing. The evidence that UNSE is running the two operations as one system is undisputed. Given that the Company’s operations are combined, it is inequitable for Santa Cruz customers to have a higher rate than Mojave customers. This inequity should be corrected now and not put off until some future rate case.”

Page 80, Line 16 INSERT new Finding of Fact:

“25. The rates for Mojave and Santa Cruz Counties should be consolidated into a single rate structure.”

Make all conforming changes.
